

# Ayushya Patel

I am an Electronics and Communication Engineering student with a passion for programming, particularly in ASP.NET development. Alongside my studies, I am deeply engaged in enhancing my personality development skills. I have a relentless curiosity and a strong appetite for acquiring new concepts and ideas.

Result: 65.7%

### X

P.R. Khatiwala Vidya Sankul

06/2016 - 03/2017

Result: 69.7%

## INTERNSHIP

### Web Developer

RIFE Software

06/2022 - 07/2022

Work

- I worked as an ASP.NET developer intern at RIFE Software, where my key responsibility was to learn and handle full-stack tasks. The technology stack I worked with included HTML, CSS, SQL, C#, and jQuery.

Contact : 9714797592 - Ashu Patel (Mentor at RIFE software)

### ASP.NET MVC Developer

NETSOL IT SOLUTIONS

01/2023 - 05/2023

Work

- I worked as an ASP.NET MVC Developer where I gained hands-on experience with the company's products, such as HRM (Human Resource Management) and IMS (Inventory Management System). My main responsibility was to develop and complete modules assigned by senior team members.

ASP.NET

Razor

## PERSONAL PROJECTS

### E-Commerce Website

- This E-Commerce website focuses on selling products across diverse categories and features user authentication for seamless login and registration. Additionally, it leverages API integration for efficient data retrieval.

### My Portfolio

- My portfolio website showcases my professional journey, highlighting my extensive experience, educational background, and diverse skill set. Explore my accomplishments, qualifications, and capabilities in one place.
- Technology Used: HTML, CSS, JavaScript

### RFID Based Attendance Management System

- Our team developed an efficient RFID attendance system designed for schools, colleges, and universities. By simply placing their ID cards on the reader, students and workers can instantly record their attendance, providing a streamlined and accurate attendance tracking solution.

## COURSES

### ASP.NET at Intellect Computers

I built an E-Commerce site, gaining hands-on experience in HTML, CSS, jQuery, SQL, and C#, implementing user registration, product catalog and shopping cart.

### TCS-Youth Employment Program (2021 - 2022)

This program equipped me with essential programming skills, aptitude, resume and interview expertise, logical reasoning abilities, and various other valuable competencies.
