# BIPIN TANDEL

Unity Game Developer

Seeking Challenging carrier in the field of Software Development.

## WORK EXPERIENCE

### Unity Game Developer

#### Vasundhara Vision

10/2018 – 05/2019

surat, india.

Achievements/Tasks

- i have work on two Games in unity
- 1) Word Search Game
- Word Search game is interesting game in that you have to find the given word from the list of character in .this game include 200+ levels.
- <https://play.google.com/store/apps/details?id=com.word.search.connect.finder.puzzle.link&hl=en>
- 2) Line Drawing Game
- Line Drawing Game is simply you have to tap and hold on screen so line is increase after you release your finger line is fill around your object(image).if line is fill 75% - 100% then level is completed. If line is cover less then 75% or more than 100% then level is failed.

### Action Script - Game Developer

#### Artoon Solutions
